Quality Policy

K. K. Wagh Agriculture College is committed to providing quality education to the students through opportunities to think innovatively and to demonstrate their entrepreneurship skills to contribute effectively to the growth of the nation.

Quality Objectives

- Inculcating moral and ethical values among the students and staff.
- Providing an environment which will be conducive for active learning, effective teaching, academic enquiry, innovation and research for the betterment of students.
- To measure customer satisfaction level periodically through student feedback reports, student placements through campus interviews and overall success in university examinations.
- Enhancing the competence of the faculty knowledge to a very high level by upgrading their academic qualification, interaction with industries, through seminars, educational tours and visits, modern and innovative methods in the teaching-learning process.
- Ensuring continuous improvement in academics and another curriculum through the quality management system.
